Player Discount:

New players who have not registered under Ringette Manitoba in previous years will receive a \$100 discount off registration fees for their first year!

Payment Options:

Option 1 – Full payment (via credit card)

Option 2 – Five equal payments (see below – via credit card)

REFUND POLICY

- Full registration fee refunds up to September 30, 2019.
- 75% of total registration will be refunded by November 15, 2019.
- Refund requests after November 15th will require a doctor's certificate and will be subject to a fee to cover the Association's non-refundable registration costs to the Manitoba Ringette Association.

GOALIES:

In an effort to recruit and retain goalies in LRA, at the U12B division if a player has committed to playing goalie and demonstrated they have played 50% as goalie by the end of the first half, they will be reimbursed 50% of their registration fees.

In the U14B to U19B age divisions, a player committed to goalie will only be required to pay 50% of registration fees with their initial registration. Those that may not be committed in the U14B to U19B age divisions are required to demonstrate play as a goalie in 50% of games at the end of the first half. LRA appreciates that these registration savings are directed to goalie development clinics/coaching.

COME TRY RINGETTE

This is a chance for new players to try out ringette on ice before committing to registration. It's led by certified instructors from Ringette Manitoba and there's no cost to attend. Skates and helmet are required. **Date TBD.**

FUNDRAISING

Lorette Ringette has shifted its strategy on raising funds for the Club, and families are no longer expected to "sell" something. This year's anticipated fundraising events are:

- Post-season 3on3 tournament (April 2020). The post-season 3on3 tournament has proven to be very successful, and with everyone's renewed commitment, our Club can continue to make some great changes to the programming.

VOLUNTEER RETAINER CHEQUE

Each player will be required to provide a \$200.00 cheque post-dated to **April 1, 2020.** Retainer cheques will be collected before players receive club jerseys. It will only be cashed if your family does not fulfill the volunteer requirements as follows: Coach, Assistant Coach, Team Manager, Jersey Manager, and Board Member OR participate in the post-season 3on3 tournament. *Note: Due to the large amount of volunteers required to run a successful tournament, please be advised that all families may be asked to work additional shifts.*

Please note that in addition to this, other duties related to home games will be assigned by the Team Manager during the season. This includes timekeeping, scorekeeping, shot clock, 50/50 if applicable, etc. Each family is expected to do its fair share. **Please note these duties are not included in the volunteer hours required above.**

JERSEY POLICY

Through parent volunteerism, LRA has been able to purchase jerseys for our club. Unfortunately, jerseys have been returned damaged to a point that they can not be used anymore. In an effort to maintain the best condition of LRA's jerseys and increase their longevity, a retainer fee of \$75 per jersey will be collected by the team manager or LRA board member prior to players receiving their club jerseys. Two post-dated cheques dated **April 1, 2020** will be required.

This payment will not be cashed if the jersey is returned in satisfactory condition.

BIRTH CERTIFICATES

First year players must include a copy of their birth certificate with their registration.

TRY OUTS

Should tryouts be held (U14 & up), a tryout fee will be charged per player. Dates and fees TBA
